Different countries, different conventions

Rules of conduct towards women:

1. Avoid pejorative and unclear statements!
2. Do not pester women and do not come too close without their confirmation respectively!
3. Do not make use of sexually charged swearwords or references!
4. Accept a woman's „No“ as such!
5. Treat women as you want your mother or sister to be treated!
6. Respect a woman's opinion!
7. Be aware and respect the fact that the dresscode of German women might differ from the style of other cultures!
8. Respect that women in Germany possess the same rights and duties as men!
9. Do never behave threatening or violent towards women!
10. Do not restrain a woman in her personal development!
